To Whom It May Concern,

Please accept this letter as my recommendation of Richard W. Clark and his performance as Clarence Darrow.

As an event coordinator, I was impressed with Richard's professionalism. He was an easy person to work with, easily reached and quick to respond to emails and phone calls. When he arrived at Barrington Public Library for his performance, he was fully prepared to set the stage, test our sound system, dress for his role and perform.

As someone with a theater background, I was delighted by Richard's performance. He has the rare ability to become another person on stage. While I can't attest that he duplicated the mannerisms and speaking style of a man I never met, I can say that he was a wholly credible Clarence Darrow and that he completely inhabited the character that he played.

Richard Clark performed at Barrington Public Library on several occasions before I took over the role of Community Services Librarian, and having watched his performance as Clarence Darrow, I can say I understand why my predecessor brought him back and that I plan to do the same.

Sincerely,

Wil Gregersen

Community Services Librarian
