Dear Richard,

On behalf of the staff and patrons of the Hampstead Public Library, I thank you for coming here to portray Atticus Finch. You created a marvelous theatrical event that was enjoyed by all who attended. You truly became the character and your presentation helped to enrich our experience of reading "To Kill a Mockingbird".

I hope we can have you visit the Hampstead Public Library again. I hear that our Friends of the Library group will be in touch with you about presenting another of your marvelous character portrayals.

Best wishes on your continued success.

Thank you.
